Introduction

Project Purpose

Help guide future walking and biking improvements, such as safe routes to school and improved access to transit.

Overall Goal

Expand and improve the pedestrian and bicycle network.
City of Goleta
Coordination

- City of Goleta Projects
- Regional Connectivity
  - County of Santa Barbara
  - City of Santa Barbara
  - UCSB
- Organizations
  - SBBike
  - COAST
  - MTD
  - Community Associations
  - Goleta Chamber of Commerce
What’s important to you?

- Better access to shopping or schools?
- More family friendly routes?
- Tiered network for a range of abilities?
- Fixing gaps and barriers, both perceived and actual?
- Encouraging walking and biking as viable transportation modes?
Potential Improvements

• Walking and biking projects
• Programs promoting walking/biking
• Policies supporting walking/biking
• City street and roadway standards
Outreach

• Identified problem areas like missing links, gaps, barriers, tough intersections, etc.

• Highlighted important destinations that need better connections

• Helped set walking and biking priorities

• More than 1,600 survey responses
Results
Focus Area

- Pedestrian
- Bicycle
- Other
Focus Area Map Comments
Focus Area
Focus Area
Workshop Exercise

1. Specific Locations *(Boards)*
   - Put dots on the solutions you prefer
   - Add any other suggestions

2. Focus Area *(Table Maps)*
   - Team up at each table map
   - Mark up the map with your ideas
   - Each team report out to share ideas

3. Overall *(City Map)*
   - Mark up your ideas for any other locations
Next Steps

• Draft Recommendations
• Parks and Recreation Commission
  - June 28, 2017
• Council Workshop
  - Tentatively late August
• Draft Document – July/August
  - outline of sections
  - future vision
Thanks for participating!
