

Monitoring, Research, and Adaptive Management Programs

20. Monitoring Program

Goal: Implement a Monitoring Program

Policies: Conduct Annual Counts

Create a Monitoring Report (Track HMP Implementation Progress)

21. Monarch Research Program

Goal: Encourage Monarch/Habitat Research

Policies: Allow for HMP-Related Research

(Evaluate Requests; Ensure Research is Non-Invasive; Issue Certain Research Permits)

22. Adaptive Management Program

Goal: Establish Adaptive Management Approach

Policies: Use Adaptive Management

(Use Monitoring Report as Tool for Updating HMP Programs; Every 5 Years, Re-Assess Existing Conditions and Adapt HMP if Needed)
