

ENVIRONMENTAL QUESTIONNAIRE

Planning and Environmental Review
130 Cremona Drive, Suite B, Goleta, CA 93117
Phone: (805) 961-7543 Fax: (805) 961-7551

For all questions below, attach additional sheets if necessary, referencing the section and question number. Please fill in every blank. Use "N/A" where question is not applicable.

PROJECT DESCRIPTION: Please use the space below or type on a separate sheet, a detailed description of your request including the permit/decision requested, location, setting, and purpose of the project.

(EXAMPLE: We are requesting a major Conditional Use Permit for a church in the existing building at the corner of ____ and _____. The church would serve a congregation of _____, with services on ____ and _____, classes on ____ and _____ and would include a preschool which would operate on weekdays from 6:30 a.m. to 7:00 p.m. serving a maximum of 50 children ages ____ to _____. A playground is also proposed at the NE corner of the building site. No signs are proposed at this time. One tree will be removed at the SW corner to make room for improvements for parking. The parking area will consist of 100 spaces and will be screened with a landscaped berm. Include parking, grading, trees fencing, walls, screening and any other details which help describe the project in full.)

ENVIRONMENTAL QUESTIONNAIRE

Page 3 of 15

GRADING: Will there be any grading associated with the project? Y N

If yes, answer below. If no, continue below to ACCESS.

CUT _____ cubic yards AMOUNT TO BE EXPORTED _____ cubic yards

FILL _____ cubic yards AMOUNT TO BE IMPORTED _____ cubic yards

Maximum Vertical Height of Cut Slopes _____

Maximum Vertical Height of Fill Slopes _____

Maximum Height of Any Proposed Retaining Wall(s) _____

What is the address of the pick-up/deposit site for any excess cut/fill?

Specify the proposed truck haul route to/from this location.

ACCESS

A. Existing: Describe the existing access road(s) to the site. Include road widths, shoulders, and type of surface material.

B. Proposed: Describe any proposed access to the proposed building site(s). Include road width, shoulders, and type of surface material proposed.

C. Does property front on a public street? Y N

Is access to be taken from this public street? Y N

Name of Public Street _____

D. Describe any proposed street improvements including paving, curbs and gutters, sidewalks, street trees, street-name signs, stop signs, street lighting, bus stops and fire hydrants.

E. Will the proposed access utilize an easement across neighboring property? Y* N

*Submit documentation which supports the applicant's use of this easement.

F. Describe proposed construction equipment access _____

Revised 5/28/15

DEVELOPMENT AND USE

A. Existing: Describe the existing structures and/or improvements on the site.

<u>Use</u>	<u>Size (sq ft)</u>	<u>Height</u>	<u># of Dwelling Units</u>
_____	_____	_____	_____
_____	_____	_____	_____

B. Proposed: Describe the proposed structures and/or improvements.

<u>Use</u>	<u>Size (sq ft)</u>	<u>Height</u>	<u># of Dwelling Units</u>
_____	_____	_____	_____
_____	_____	_____	_____

C. Will any structures be demolished or removed? ____ If so, please list them here as requested.

<u>Current Use</u>	<u>Historic Use</u>	<u>Age</u>	<u>Rental Price (if rented)</u>
_____	_____	_____	_____
_____	_____	_____	_____

D. Describe all other existing uses of the property.

E. How will the project affect the existing uses of the property?

F. Describe any other historic use(s) of the property. This may include agricultural (include crop type), commercial, or residential uses.

G. Provide a short description of the land uses surrounding the site.

North _____

South _____

East _____

West _____

H. STATISTICS: Mark each section with either the information requested or "n/a" if not applicable.

	<u>EXISTING</u>	<u>PROPOSED</u>	<u>TOTAL</u>
Total Building Coverage on the Site, including covered parking and accessory Structures (sq. ft.)	_____	_____	_____
Structures (sq. ft.)	_____	_____	_____
Roads/Parking/Walkways (sq. ft.)	_____	_____	_____
Open Space (sq. ft.)	_____	_____	_____
Recreation (sq. ft.)	_____	_____	_____
Landscaping (sq. ft.)	_____	_____	_____
Unpaved Trails (sq. ft.)	_____	_____	_____
Agricultural Lands (sq. ft.)	_____	_____	_____
Population (#) (Employees/Residents)	_____	_____	_____
Dwelling, Hotel/Motel Units	_____	_____	_____
Max Height Of Structures (Ft.)	_____	_____	_____
Water Wells (#)	_____	_____	_____
Septic Systems (#)	_____	_____	_____
Parking (On-Site)			
Total # Of Spaces	_____	_____	_____
# Of Covered Spaces	_____	_____	_____
# Of Standard Spaces	_____	_____	_____
Size Of Standard Spaces	_____	_____	_____
# Of Handicapped Spaces	_____	_____	_____

SITE INFORMATION

A. Is this property under an Agricultural Preserve Contract? Y N

B. Describe the soil characteristics.

C. Describe any unstable soil areas on the site.

D. Has there ever been flooding on the site? Y N

If yes, state the year and describe the effect on the project site.

E. Describe any proposed drainage and/or flood control measures.

F. Will the project require the removal of any trees? Y N

If so, please list them here as requested. Attach additional sheets as necessary.

<u>Type</u>	<u>Diameter (at 4' height)</u>	<u>Height</u>
-------------	--------------------------------	---------------

Explain why it is necessary to remove these trees.

G. Name and describe any year-round or seasonal creeks, ponds, drainage courses or other water bodies.

ENVIRONMENTAL QUESTIONNAIRE

Page 9 of 15

H. Describe the wildlife known to inhabit or frequent the site.

I. Describe any noise sources that currently affect the site.

J. Are there any recorded prehistoric or historic archaeological sites on the property or on neighboring parcels? Y N Unknown

If yes, describe. _____

K. Describe all third party property interests (such as easements, leases, licenses, rights-of-way, fee ownerships or water sharing agreements) affecting the project site, provision of public utilities to the site or drainage off the site.

L. Will any other agencies (such as CA Fish & Game, US Fish & Wildlife, Army Corp. of Engineers) require permits for the project? If so, list them here.

M. Have you incorporated any measures into your project to mitigate or reduce potential environmental impacts? Y N

If yes, list them here. (Examples include tree preservation plans, creek restoration plans, and open space easements.)

PUBLIC/PRIVATE SERVICES

A. WATER:

1. Existing: If the property is currently served by a private well, submit the following for each well:

- a. Pumpage records (electrical meter or flow meter readings) for the past 10 years
- b. pump test data
- c. location of other wells within 500 feet
- d. water quality analysis
- e. drillers report (with construction details)
- f. copy of applicable well sharing agreement

2. Does the well serve other properties? Y N

If yes, address(es): _____

3. If the property is currently served by a private or public water district, submit the following:

- a. Name: _____
- b. District/Company meter records for the past 10 years.

4. Proposed: Will the project require annexation to a public or private water company? Y N

If yes, name: _____

5. Is a well proposed? Y N. If so, will it serve other properties? Y N

If yes, address(es): _____

B. SEWAGE DISPOSAL:

1. Existing: Indicate if the property is currently served by the following:

- | | Yes/No |
|--------------------------|--------------------------|
| a. septic system* | _____ |
| b. drywell* | _____ |
| c. public sewer district | _____ If yes, name:_____ |

*Submit engineering details on septic tanks and dry wells, as well as calculations for leach field size, where applicable.

2. Proposed: Indicate what sewage disposal services are proposed as part of this project?

Yes/No

- a. septic system* _____
- b. drywell* _____
- c. public sewer district _____ If yes, name _____

*Submit percolation tests and/or drywell performance tests as applicable.

3. Will the project require annexation to any public sewer district? Y N If yes, name _____

C. FIRE PROTECTION

- 1. Is the project in a high fire hazard area? Circle one: Yes No
- 2. Fire protection is (will be) provided by the _____ Fire Dept.
- 3. Is there an existing water main infrastructure in the vicinity? Circle one: Yes No
- 4. How far away is the nearest standard fire hydrant? _____ feet.
- 5. If not, is a new fire hydrant proposed? Circle one: Yes No
- 6. If a new hydrant is proposed, what is the longest driving distance from the proposed hydrant to the proposed building(s)? _____ feet.
- 7. Will fire protection be provided by an on-site water storage tank? Circle one: Yes No
Tank capacity: _____ gallons
- 8. What is the driving distance from the water tank to the proposed structure(s)? _____ ft.
- 9. Is a fire sprinkler system proposed? Yes No Location _____

10. Describe the access for fire trucks. Include width and height clearance for access and surface material. _____

11. Will hazardous materials be stored or used? Y/N List any hazardous materials which may be used or stored on the site. _____

ENVIRONMENTAL QUESTIONNAIRE

Page 13 of 15

D. UTILITIES:

1. For each of the following service improvements note whether it currently exists on the project site or will be required to accommodate the proposed development:
- 2.

	<u>Currently Exists</u>	<u>Required</u>
_____ Sewer	_____	_____
_____ Water meter	_____	_____
_____ Septic system	_____	_____
_____ Water well	_____	_____
_____ Power lines	_____	_____
_____ Water storage tanks (size: _____)	_____	_____
_____ Telephone lines	_____	_____
_____ Other	_____	_____

(Note: Staff may require information regarding the location, depth, and width of trenching)

- E. **SCHOOLS:** For projects within existing or proposed residential zone districts, provide the names of the elementary, high and unified school districts serving the project site.

Elementary:

High School:

Unified School:

F. HAZARDOUS WASTE & SUBSTANCE STATEMENT

Section 65962.5(f) of the California Government Code requires that no application for a development project be accepted as complete unless accompanied by a signed statement indicating whether the project and any alternatives are located on a site that is included on any of the lists compiled pursuant to Government Code Section 65962.5.

The Hazardous Waste & Substance Site List prepared in accordance with Government Code Section 65962.5 has been consulted and the development project identified above has been found:

_____ to fall within an identified hazardous site.

_____ to **not** fall within an identified hazardous site.

Specify all lists Pursuant to Government Code Section 65962.5: _____

Specify the Regulatory Identification Number: _____

Specify the date of list(s): _____

Please include any other information you feel is relevant to this application.

CERTIFICATION OF ACCURACY AND COMPLETENESS

Signatures must be completed for each line. If one or more of the parties are the same, please re-sign the applicable line.

I hereby declare that the information contained in this application and all attached materials are correct, true and complete. I acknowledge and agree that the City of Goleta is relying on the accuracy of this information and my representations in order to process applications, and that any permits issued by the City may be rescinded if it is determined that the information and materials submitted are not true and correct. I further acknowledge that I may be liable for any costs associated with revocation of such permits including, but not limited to, any litigation costs.
