

# Fairview Ave Sidewalk Infill at Stow Canyon Road

PROJECT NO. 9060

BID NO. 05-18

Addendum No. 1

December 3, 2018

**Bid Opening: Wednesday, December 12, 2018 at 3:00 P.M. (no change)**

**1. REPLACE:**

**BID PROPOSAL, PAGE C-4, BID PROPOSAL.** The Bid Proposal shall be removed and replaced in its entirety with the revised Bid Proposal included in this Addendum. The following change has been made:

a.) Item No. 9, Slurry Seal (Type II), the quantity has been revised to 27,000 SF.

**2. DELETE/ADD:**

**SPECIAL PROVISIONS, SECTION F**

**Delete Paragraph 2.9.2 of the Standard Specifications for Public Works Construction 2015 (Greenbook) and substitute the following in the Special Provisions, Section F:**

Construction Surveys: Contractor shall be responsible for all project control and construction surveying and for referencing, replacement and recording of survey monuments, and shall include this in the bid. No grade setting, staking or survey services will be performed by the Engineer. Surveying shall be performed by a Land Surveyor registered in the State of California to perform these services. The Engineer reserves the right to check the Contractor's work at any time during the project. Checks performed by the Engineer will not relieve the Contractor from responsibility to properly locate and construct the Work in accordance with these Contract Documents

Construction surveys and staking will be included in payment for other bid items of work and no additional compensation will be provided.

**3. ADD:**

**APPENDIX A, CONCRETE BID QUANTITY EXHIBIT.** Appendix A shall be added to the end of Section F – SPECIAL PROVISIONS of the Standard Specifications, along with the following exhibit:

- Fairview Ave. Sidewalk Infill at Stow Canyon Road Concrete Bid Quantity Exhibit

**4. DELETE/ADD:**

**SPECIAL PROVISIONS, PAGE F-32, PUBLIC NOTIFICATION**

**DELETE:** A sample door hanger notice is included as a part of this specification (see Appendix E).

**ADD:** A sample door hanger notice is included as a part of this specification (see Appendix B) and is added after Appendix A in Section F – SPECIAL PROVISIONS of the Standard Specifications, along with the following exhibit:

- Notice to Area Businesses, Residents & Schools

Approved by:

Charles W. Ebeling, P.E., T.E.  
Public Works Director

### **Sample Door Hanger**

**City of Goleta**

**Notice to Area**

**Businesses, Residents, & Schools**

The City is pleased to inform you that during the next couple of months, **Contractor Name**, in conjunction with the City of Goleta, will be performing **Enter Project information** in your neighborhood as part of the City's FAIRVIEW AVENUE SIDEWALK INFILL AT STOW CANYON ROAD Project.

We apologize for any inconvenience this may cause and ask for your patience and cooperation so that we may complete this work as soon as possible.

The work will generally be performed between the hours of 7:30 a.m. and 5:00 p.m.; however, there are work hour restrictions in some instances (i.e., vicinity of schools). Local access will be maintained during most of the work; however, parking restrictions will be necessary and will be posted a minimum of 72-hours in advance of the work.

Some or all of the following repair work will be performed on your street:

1. Remove and replace...
2. Install...
