**NOTICE OF PUBLIC HEARING  
CITY COUNCIL  
JANUARY 15, 2019 at 6:00 P.M.**

**General Plan Amendment Initiation  
Case No. 17-021-GPA  
Transportation Element Figure 7-2: Functional Street Classification and  
Key Intersections Map and Related Transportation Element TE 3 Policies**

**NOTICE IS HEREBY GIVEN** that the Goleta City Council will conduct a public hearing to consider a Resolution to adopt a General Plan amendment to street classification figures and policies of the Transportation Element. The date, time, and location of the public hearing are set forth below. The agenda and staff report for the hearing will also be posted at least 72 hours before the meeting on the City website here: <http://www.cityofgoleta.org/i-want-to/news-and-updates/government-meeting-agendas-and-videos>.

**PROJECT DESCRIPTION:** As described in General Plan Transportation Element Policy TE 3.1, Figure 7-2 is the overall street and circulation plan for the City and future street improvements in the City must be consistent with the functional classifications. The four current street classes in Figure 7-2 include Local Streets and Roads, Major Collectors, Minor Arterials, and Major Arterials. These four classes of streets serve different functions in the City's overall street system and have different design standards. Each of these four classes are described in a subpolicy of Policy TE 3 (TE 3.3 - 3.6).

The General Plan amendment would update Figure 7-2 to better reflect the current role various street segments serve in the City's overall roadway system and would also revised language in subpolicies TE 3.3 – 3.6 to ensure that the City's street classes and standards better align with state and federal classes.

**PROJECT LOCATION:** The policies and regulations would apply citywide, including areas within the Coastal Zone.

**DATE AND TIME:** Tuesday, January 15, 2019, at 6:00 P.M.

**PLACE:** City of Goleta, Council Chambers  
130 Cremona Drive, Suite B
