**NOTICE IS HEREBY GIVEN** that the City of Goleta has completed an Addendum to the Westar Village Mixed-Use Final Environmental Impact Report (FEIR) SCH#201007106 for the Hollister Village Apartment Project described below. (Hollister Village was originally known as the Westar Village Project). A public hearing to consider the adequacy of the Addendum and merits of the Project has been scheduled as indicated below. The Planning Commission's action will be advisory to the City Council. The City Council will be the final decision maker for the Project.

The public hearing before the Planning Commission will occur on:

**HEARING DATE AND TIME: Monday, April 22, 2019 at 6:00 PM**

**HEARING LOCATION: City of Goleta City Hall  
Council Chambers  
130 Cremona Drive, Suite B  
Goleta, CA 93117**

**ENVIRONMENTAL REVIEW FINDINGS:** The Addendum was prepared pursuant to the requirements of the California Environmental Quality Act (Public Resources Code §§ 21000, et seq., CEQA), the regulations promulgated thereunder (14 California Code of Regulations, §§ 15000, et seq., CEQA Guidelines), and the City's Environmental Review Guidelines. The City of Goleta is acting as the Lead Agency.

The Addendum is appropriate pursuant to CEQA Guidelines §15164 since only minor changes and additions to the prior CEQA analyses associated with the Westar Village Mixed-Use project are necessary to address the Project, the Rezone, and the General Plan Amendment and no circumstances exist calling for the preparation of a subsequent or supplemental environmental impact report pursuant to CEQA Guidelines §§15162 and 15163.

**PROJECT DESCRIPTION:** Goleta Hollister LLC, property owner, seeks approval of Hollister Village Apartments, a 27-unit apartment project with five affordable units (Project). The 1.84-acre Project site is the undeveloped portion within the Hollister Village complex and is located at the southwest corner of Village Way (a private road) and S. Glen Annie Road. The site has a Community Commercial (C-C) Goleta General Plan land use designation and is zoned Shopping Center (SC) in the Inland/Coastal Zoning Ordinance. The Project requires approval of the following:

- A Development Plan Revision to allow the construction of 27 apartment units (14 studio and 13 one-bedroom units of which 5 units will be income restricted), 35 parking spaces, and a 0.42-acre park on a 1.84-acre site with associated setback modifications. The

setback modifications would allow mailbox clusters and trash enclosures to encroach into the front yard setback along Village Way (a private, internal road) and eight parking spaces and one carport to encroach into an internal side yard setback between existing Lot 10 and revised Lot 11;

- A Lot Line Adjustment to merge three lots, Lots 4, 5, and 6, into a new Lot 11 of Tract 32,048, to accommodate the proposed layout of the building and financing requirements of the applicant;
- A Rezone from Shopping Center (SC) to Design Residential (DR-20);
- A General Plan Amendment to change the Project site's land use designation under General Plan/Local Coastal Land Use Plan Figure 2-1 (the Land Use Map) from Community Commercial (C-C) to Residential Medium Density (R-MD); and
- An Addendum to the Westar Village Mixed-Use FEIR that analyzes the impacts of the Project and the General Plan Amendment.

**CORTESE LIST:** The Project site is not listed on any hazardous waste facilities or disposal sites lists as enumerated under Government Code §65962.5 (the "Cortese list").
