

SCAVENGER HUNT

FAMILY STYLE

Each week a different Scavenger Hunt Theme will be posted here!

The theme will consist of 6 – 10 coloring pages and/or activity sheets.

Families can download an image or two from the packet, color it and post it in a window for the week.

During the day, when you are walking around your neighborhood, try to find pictures to complete your scavenger hunt hanging in the windows of your neighbor's home.

Please respect the privacy of others and do not go up to windows.

If you win your scavenger hunt, take a picture of yourself with your checklist and post it to the City's Instagram.
