FOR MEMBER OF THE CITY COUNCIL

KYLE RICHARDS

Ballot designation: Incumbent

Age: 50

I'm running for re-election to continue working to ensure Goleta's government is responsive and effective in meeting residents' needs.

As your Councilmember, I'm committed to keep fighting for the vision of carefully managed, sustainable growth, the bedrock that Goleta was founded on. We must grow only within our means and preserve the special character of our diverse neighborhoods and businesses. Since my election in 2016, no new large development projects have been approved.

I'm committed to continuing my advocacy for: maintaining roads and expanding bike paths and sidewalks; protecting public safety; improving Old Town; assuring fiscal responsibility; increasing transparency and public participation; protecting our natural resources; increasing equity; and ensuring environmental sustainability. I'll work to promote local businesses impacted by the COVID economic downturn and address regional challenges including housing affordability and homelessness.

My service on Goleta’s City Council has been recognized by a wide range of community leaders and organizations, including endorsements from: Mayor Paula Perotte; Councilmember James Kyriaco; State Senator Hannah-Beth Jackson; State Assemblymember Monique Limon; Supervisors Joan Hartmann, Gregg Hart, and Das Williams; the Goodland Coalition for Goleta; the Santa Barbara Women's Political Committee; and the Sierra Club, among others.

I'd be honored to have your vote this fall! Please visit me: www.kylerichards.org
