Agenda Item B.1  
DISCUSSION/ACTION ITEM  
Meeting Date: January 17, 2013

TO: Members of the Oversight Board of the Goleta RDA Successor Agency

FROM: Jaime Valdez, Economic Development Coordinator

SUBJECT: Public Comment Session to Review Independent Accountant’s Report on the Due Diligence Review of the Non-Housing Funds and Accounts of the Goleta RDA Successor Agency

RECOMMENDATION:

Convene a public comment session to review the Due Diligence Review of the Non-Housing Funds and Accounts of the Goleta RDA Successor Agency.

BACKGROUND:

ABx1 26 (the "Dissolution Act,") was enacted in late June 2011 as part of the FY 2011-12 state budget package and was held by the California Supreme Court to be largely constitutional on December 29, 2011. As a result, all California redevelopment agencies were dissolved, effective February 1, 2012.

On January 17, 2012 the City of Goleta took formal action to assume the role of Successor Agency both for housing and non-housing functions needed to wind down the affairs of the dissolved Redevelopment Agency for the City of Goleta.

On June 27, 2012, as part of the FY 2012-13 state budget package, the Legislature passed and the Governor signed AB 1484. The primary purpose of AB 1484 is to make technical and substantive amendments to the Dissolution Act based on experience to-date at the state and local level in implementing that act. As a budget "trailer bill," AB 1484 took immediate effect upon signature by the Governor. There are two Due Diligence Reviews (DDRs) that must be performed and approved as a result of AB 1484—one for the Low and Moderate Income Housing Fund (LMIHF) and the other for all of the non-housing funds and accounts (Non-Housing).

On October 31, 2012, the Oversight Board (Board) approved the Goleta RDA Successor Agency’s LMIHF DDR. The second DDR, for Non-Housing, is before the Board for review and subsequent approval pursuant to the process called for in AB 1484.
DISCUSSION:

Health and Safety Code (HSC) Section 34179.5 requires the Successor Agency to hire a licensed accountant, approved by the County Auditor-Controller (CAC), to conduct a DDR to determine the unobligated balances available for transfer to taxing entities. Rogers, Anderson, Malody & Scott, LLP was approved by the CAC and has conducted a review of the non-housing funds to meet the requirements of Section 34179.5, and prepared the attached Report on that review.

Pursuant to HSC Section 34179.6(a), by December 15, 2012, the Successor Agency must provide the Board, CAC, State Controller’s Office (SCO), and the State Department of Finance (DOF), the results of the Non-Housing DDR.

Goleta RDA Successor Agency staff received the final results of the Non-Housing DDR on January 8, 2013 and sent a letter along with the Non-Housing DDR to the DOF, SCO, Santa Barbara CAC, and the Board pursuant to HSC 34179.6(b) (Attachments 1 and 2).

Following receipt of the Report, the Board is required to convene a public comment session, to be held not less than 5 business days prior to the approval vote by the Board. By January 15, 2013, for all non-housing funds and accounts, the Board must review, approve, and transmit to the DOF and the Santa Barbara CAC the determination of the amount of cash and cash equivalents that are available for disbursement to taxing entities. The review and approval must occur in public sessions.

AB 1484 calls out a process for reviewing and approving the Non-Housing DDR requiring five days between the review and subsequent approval. The Board was made aware at its October 31, 2012 meeting that the Successor Agency would not meet the aforementioned deadline called out in the legislation, but was still committed to trying to get the review and approval process completed as soon as possible. As such, the Board will be meeting on January 17th and January 24th of 2013 in order to best comply with the requirements set forth as part of the Non-Housing DDR of the former Goleta RDA.

Section 34179.6 empowers the Board to authorize the Successor Agency to retain certain assets or funds, such as restricted funds, including bond or grant funds or cash funds that are required to fund an enforceable obligation, physical assets such as equipment or land; and funds to satisfy obligations that will be placed on the Recognized Obligation Payment Schedule for the current fiscal year. An oversight board that makes that authorization must identify to the DOF the amount of funds authorized for retention, the source of those funds, and the purposes for which those funds are being retained. The determination and authorization to retain funds and assets is then subject to the review and approval of the DOF.

The Report confirms that there are no residual monies available for distribution. All monies held by the Successor Agency as of June 30, 2012 were needed to cover existing obligations. The review procedures also entailed the review and confirmation of
the financial transactions of the former Redevelopment Agency. Those transactions, including transfers, are summarized within the report.

Staff recognizes that the Board has expressed some concerns, specifically over the transfer of bond proceeds. Those concerns have been addressed by the September 10, 2012 letter sent to the State Controller’s Office (SCO) seeking a determination on that transfer. No reportable action of any kind on this matter has occurred to date, nor does Successor Agency staff anticipate any actions to come forward in the future. As the State Controller’s Office is vested with the responsibility and ultimate authority over the matter, no further action is required of the Successor Agency or Oversight Board.

**FISCAL IMPACTS:**

No fiscal impact will result from holding a public comment session to review the Due Diligence Review.

**ALTERNATIVES:**

None. Health and Safety Code Section 34179.6 requires the Oversight Board to convene a public comment session to review the Due Diligence Review.

INDEPENDENT ACCOUNTANT’S REPORT ON APPLYING AGREED-UPON PROCEDURES

We have performed the minimum required agreed-upon procedures enumerated in Attachment “A”, which were agreed to by the Oversight Board of the Successor Agency to the Redevelopment Agency for the City of Goleta, the California State Controller’s Office and the State of California Department of Finance (Agencies) solely to assist in determining unobligated balances available for transfer to taxing entities in “all funds except the Low and Moderate Income Housing Fund (All Other Funds)” complying with statutory requirements pursuant to the California Health and Safety Code section 34179.5. Management of the Successor Agency is responsible for the accounting records pertaining to statutory compliance pursuant to Health and Safety Code section 34182(a)(1).

This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. The sufficiency of these procedures is solely the responsibility of those parties specified in the report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

The scope of this engagement was limited to performing the minimum required agreed-upon procedures as set forth in Attachment “A” along with the findings noted as a result of the procedures performed.

We were not engaged to and did not conduct an audit, the objective of which would be the expression of an opinion as to the appropriateness of the results summarized after each procedure in Attachment “A”. Accordingly, we do not express such an opinion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

This report is intended solely for the information and use of the applicable Agencies, and is not intended to be, and should not be used by anyone other than these specified parties. This restriction is not intended to limit distribution of this report, which is a matter of public record.

We obtained from the Successor Agency a listing of assets as of June 30, 2012 that are not liquid or otherwise available for distribution. The assets, as stated, are based on book value as reflected in the accounting records of the Successor Agency.

See Attachment 7 for listing of assets obtained from the Successor Agency.

B. If the assets listed at 7.A are listed at purchase cost, trace the amounts to a previously audited financial statement (or to the accounting records of the Successor Agency) and note any differences.

Results:

We traced the listed amounts to the Audited Financial Statement for the Successor Agency for the period ending June 30, 2012 and noted no differences.

C. For any differences noted in 7.B, inspect evidence of disposal of the asset and ascertain that the proceeds were deposited into the Successor Agency trust fund. If the differences are due to additions (this generally is not expected to occur), inspect the supporting documentation and note the circumstances.

Results:

We noted no differences in Procedure 7.B.

D. If the assets listed at 7.A are listed at recently estimated market value, inspect the evidence (if any) supporting the value and note the methodology used. If no evidence is available to support the value and/or methodology, note the lack of evidence.

Results:

Procedure 7.D is not applicable since the assets identified in procedure 7.A are listed at book value (purchase cost).
Citation: 34179.5(c)(5)(D) An itemized listing of any current balances that are legally or contractually dedicated or restricted for the funding of an enforceable obligation that identifies the nature of the dedication or restriction and the specific enforceable obligation. In addition, the successor agency shall provide a listing of all approved enforceable obligations that includes a projection of annual spending requirements to satisfy each obligation and a projection of annual revenues available to fund those requirements. If a review finds that future revenues together with dedicated or restricted balances are insufficient to fund future obligations and thus retention of current balances is required, it shall identify the amount of current balances necessary for retention. The review shall also detail the projected property tax revenues and other general purpose revenues to be received by the successor agency, together with both the amount and timing of the bond debt service payments of the successor agency, for the period in which the oversight board anticipates the successor agency will have insufficient property tax revenue to pay the specified obligations.

8. Perform the following procedures:

   A. If the Successor Agency believes that asset balances need to be retained to satisfy enforceable obligations, obtain from the Successor Agency an itemized schedule of asset balances (resources) as of June 30, 2012 that are dedicated or restricted for the funding of enforceable obligations and perform the following procedures. The schedule should identify the amount dedicated or restricted, the nature of the dedication or restriction, the specific enforceable obligation to which the dedication or restriction relates, and the language in the legal document that is associated with the enforceable obligation that specifies the dedication of existing asset balances toward payment of that obligation.

   i. Compare all information on the schedule to the legal documents that form the basis for the dedication or restriction of the resource balance in question.

   ii. Compare all current balances to the amounts reported in the accounting records of the Successor Agency or to an alternative computation.

   iii. Compare the specified enforceable obligations to those that were included in the final Recognized Obligation Payment Schedule approved by the California Department of Finance.

   iv. Attach as an exhibit to the report the listing obtained from the Successor Agency. Identify in the report any listed balances for which the Successor Agency was unable to provide appropriate restricting language in the legal document associated with the enforceable obligation.

   Results:

   The Successor Agency believes retention of assets under this procedure is not required.
B. If the Successor Agency believes that future revenues together with balances dedicated or restricted to an enforceable obligation are insufficient to fund future obligation payments and thus retention of current balances is required, obtain from the Successor Agency a schedule of approved enforceable obligations that includes a projection of the annual spending requirements to satisfy each obligation and a projection of the annual revenues available to fund those requirements and perform the following procedures:

i. Compare the enforceable obligations to those that were approved by the California Department of Finance. Procedures to accomplish this may include reviewing the letter from the California Department of Finance approving the Recognized Enforceable Obligation Payment Schedules for the six-month period from January 1, 2012 through June 30, 2012 and for the six month period July 1, 2012 through December 31, 2012.

ii. Compare the forecasted annual spending requirements to the legal document supporting each enforceable obligation.

   a. Obtain from the Successor Agency its assumptions relating to the forecasted annual spending requirements and disclose in the report major assumptions associated with the projections.

iii. For the forecasted annual revenues:

   a. Obtain from the Successor Agency its assumptions for the forecasted annual revenues and disclose major assumptions associated with the projections.

Results:

The Successor Agency believes retention of current balances under this procedure is not required.

C. If the Successor Agency believes that projected property tax revenues and other general purpose revenues to be received by the Successor Agency are insufficient to pay bond debt service payments (considering both the timing and amount of the related cash flows), obtain from the Successor Agency a schedule demonstrating this insufficiency and apply the following procedures to the information reflected in that schedule.

i. Compare the timing and amounts of bond debt service payments to the related bond debt service schedules in the bond agreement.

ii. Obtain the assumptions for the forecasted property tax revenues and disclose major assumptions associated with the projections.

iii. Obtain the assumptions for the forecasted other general purpose revenues and disclose major assumptions associated with the projections.

Results

The Successor Agency believes that items under this procedure are not applicable.
D. If procedures A, B, or C were performed, calculate the amount of current unrestricted balances necessary for retention in order to meet the enforceable obligations by performing the following procedures.

i. Combine the amount of identified current dedicated or restricted balances and the amount of forecasted annual revenues to arrive at the amount of total resources available to fund enforceable obligations.

ii. Reduce the amount of total resources available by the amount forecasted for the annual spending requirements. A negative result indicates the amount of current unrestricted balances that needs to be retained.

iii. Include the calculation in the AUP report.

Results:

This procedure is not applicable since procedures 8.A, 8.B, nor 8.C were not performed.
Citation: 34179.5(c)(5)(E) An itemized list and analysis of any amounts of current balances that are needed to satisfy obligations that will be placed on the Recognized Obligation Payment Schedules for the current fiscal year.

9. If the Successor Agency believes that cash balances as of June 30, 2012 need to be retained to satisfy obligations on the Recognized Obligation Payment Schedule (ROPS) for the period of July 1, 2012 through June 30, 2013, obtain a copy of the final ROPS for the period of July 1, 2012 through December 31, 2012 and a copy of the final ROPS for the period January 1, 2013 through June 30, 2013. For each obligation listed on the ROPS, the Successor Agency should add columns identifying (1) any dollar amounts of existing cash that are needed to satisfy that obligation and (2) the Successor Agency’s explanation as to why the Successor Agency believes that such balances are needed to satisfy the obligation. Include this schedule as an attachment to the AUP report.

Results:

See Attachment 9 for the explanations from the Successor Agency Officials of the cash balances that need to be retained to pay for ROPS 2 items.
Citation: 34179.5(c)(6) The review shall total the net balances available after deducting the total amounts described in subparagraphs (B) to (E), inclusive, of paragraph (5). The review shall add any amounts that were transferred as identified in paragraphs (2) and (3) of subdivision (c) if an enforceable obligation to make that transfer did not exist. The resulting sum shall be available for allocation to affected taxing entities pursuant to Section 34179.6. It shall be a rebuttable presumption that cash and cash equivalent balances available to the successor agency are available and sufficient to disburse the amount determined in this paragraph to taxing entities. If the review finds that there are insufficient cash balances to transfer or that cash or cash equivalents are specifically obligated to the purposes described in subparagraphs (B), (D), and (E) of paragraph (5) in such amounts that there is insufficient cash to provide the full amount determined pursuant to this paragraph, that amount shall be demonstrated in an additional itemized schedule.

10. Include (or present) a schedule detailing the computation of the Balance Available for Allocation to Affected Taxing Entities. Amounts included in the calculation should agree to the results of the procedures performed in each section above. The schedule should also include a deduction to recognize amounts already paid to the County Auditor-Controller on July 12, 2012 as directed by the California Department of Finance. The amount of this deduction presented should be agreed to evidence of payment. The attached example summary schedule may be considered for this purpose. Separate schedules should be completed for the Low and Moderate Income Housing Fund and for all other funds combined (excluding the Low and Moderate Income Housing Fund).

Results:

We have included (prepared by the Successor Agency) a schedule detailing the computation of the Balance Available for Allocation to Affected Taxing Entities. We agreed amounts included in the calculation to the results of the procedures performed in each section of the report referenced in the calculation. The schedule also includes a deduction to recognize amounts already paid to the County Auditor-Controller on July 12, 2012, as directed by the California Department of Finance.

See below attachment for the complete calculation obtained from Management of the Successor Agency.

Total to be retained to pay for ROPS 2 & ROPS 3 enforceable obligations: $882,678
TO: Members of the Oversight Board of the Goleta RDA Successor Agency

FROM: Jaime A. Valdez, Economic Development Coordinator

SUBJECT: Response from the California Department of Finance Related to Goleta RDA Successor Agency Property Disposition

RECOMMENDATION:

Receive information on correspondence from the California Department of Finance related to Goleta RDA Successor Agency property disposition.

BACKGROUND:

On August 16, 2012, the Oversight Board (Board) convened to receive an update on the abrupt introduction and passage of AB 1484 on June 27, 2012 and how it would affect the disposition of successor agency properties. Staff provided a detailed recap of AB 1484 as well as the history and background of the former RDA’s acquisition of property located at 170 S. Kellogg Avenue in Old Town Goleta (“Subject Property”). The Oversight Board considered the alternative approach and was in unanimous support of the sale with concurrence of Department of Finance (DOF).

Staff also presented an alternative approach to property disposition not included in AB 1484 for the Board’s consideration. The approach envisioned would have resulted in an expedited process whereby upon securing the Board’s concurrence as well as the DOF’s, the Successor Agency and City would prepare an appropriate sale agreement to be returned to the City Council and Board for approval. Ultimately, the premise for the approach was to result in the full interest in the Subject Property residing with the City.

On October 25, 2012, after securing the signatures of the executives representing the five largest taxing entities, City staff sent a joint letter asking for DOF’s consideration of the aforementioned alternative approach.

DISCUSSION:

The DOF provided a response letter dated December 19, 2012 (Attachment 1) which clearly stated “no” to the request submitted by the City and the Affected Taxing Agencies. DOF explained that the only exception to the property disposition suspension in AB 1484 is the “governmental purpose” exception which does not apply in the case of Goleta as the Subject Property is undeveloped.
Successor Agency staff will continue to work on attaining the issuance of the DOF’s Finding of Completion (FOC) related to the previous Item B.1 regarding the Non-Housing Due Diligence Review (Non-Housing DDR) on the Board’s agenda. Moreover, City staff is moving forward with the drafting of a City of Goleta resolution of intent to purchase the Subject Property. The resolution of intent will identify the terms by which the City proposes to purchase the Subject Property from the Successor Agency. Doing so ahead of the formal AB 1484 process will assist the City in continuing its community effort to design and build a public park on the Subject Property. The Board will have the opportunity to review and approve the terms as part of the Long Range Property Management Plan (LRPMP). If DOF accepts the LRPMP, then the transfer would proceed.

Staff anticipates providing a copy of the City resolution to the Board in late February in tandem with the Recognized Obligation Payment Schedule covering the period of July 1 through December 31, 2013.

To clarify, the purchase amount would remain limited to the amount provided by the former RDA at the time of purchase. Moreover, a rezone/change in land use will not be pursued prior to the Board’s approval of the aforementioned approach.

**FISCAL IMPACTS:**

Unknown at this time. Depending on the DOF’s review and approval of the Non-Housing DDR, FOC, and LRPMP any resultant amount attained by disposition of the Subject Property could vary widely.

**ALTERNATIVES:**

California Department of Finance Response Letter Regarding Goleta RDA Successor Agency Property Disposition, Dated December 19, 2012
December 19, 2012

Jamie A. Valdez  
Economic Development Coordinator  
Neighborhood Services & Public Safety  
Goleta RDA Successor Agency  
130 Cremona Drive, Suite B  
Goleta, CA 93117

Dear Mr. Valdez:

This letter is in response to yours dated October 18, 2012. You are inquiring as to whether the Goleta Successor Agency (Agency) can sell proposed park land to the city at a fair market appraised value, prior to receiving a Finding of Completion and approval of the Long Range Property Management Plan.

The answer is no. The only exception to the property disposition suspension contained in AB 1484, is the “governmental purpose” exception outlined in Health and Safety Code section 34181. Since that section does not apply to undeveloped property, the Agency would have to secure a Finding of Completion and an approved Long Range Property Management Plan prior to disposing of the property.

Please be advised that the sooner you submit the Other Assets Due Diligence Review, the sooner Finance will review, make final decisions, and issue the Finding of Completion. You may submit the Long Range Property Management Plan at the same time and Finance will review for final approval. Successor agencies do not have to wait until April of 2013 to submit their plans.

Please direct inquiries to Justyn Howard, Assistant Program Budget Manager, at (916) 445-1546.

Sincerely,
