Re: Fairview Gardens July 2013 Quarterly Progress Report

Dear Scott:

The following is our July 2013 Quarterly Progress Report for the Fairview Gardens CUP.

As per our last quarterly report, there are no permanent residents on the farm except for in the main house. We have abandoned our project to build farm worker housing.

Since our yurts do provide much needed flexibility for office space and storage, we have applied for a Conditional Use Permit Revision and a one-year Time Extension for the yurts to stay on the farm while we work out the details of the permitting with the Building and Planning departments of the City of Goleta.

Please feel free to contact me with any questions.

Thank you,
